"Promoting reined cow horse in a fun learning environment"

- Benefitting Still Creek Equestrian -

Why Still Creek Equestrian?

STRCHA strives to be more than just another Reined Cow Horse affiliate. We believe that investing in the next generation is vital. What better way to do this than to support an equestrian program for kids rescued from hard places?

At Still Creek Ranch, the resident children come from many different walks of life and are often dealing with life's hurts. They have been placed at SCR to get them into a safe home/school environment. We know that horses can teach a person to trust, build confidence, break down emotional barriers, and grow work ethic. Students are involved in all aspects of horse care and ranch maintenance in addition to achieving their riding goals

All sponsorships help us offset costs which in turn allows us to make a bigger financial impact for the kids of Still Creek Ranch. Thank you for considering us for your sponsorship!
